

# #WODENEXPERIMENT

**Would you like to collaborate with your community by activating the Woden Town Square?**

The ACT Government will install temporary furniture and structures in the Woden Town Square as a canvas for community activities and events from late February 2019 to July 2019.

We would love you to contribute to the discussion on what's important, what's possible and what's doable by your community with the support of Woden Community Service and ACT Government.

To express your views on activating the Woden Experiment installation and find ways to participate, you are invited to attend a community workshop. This workshop will take a fun and playful approach to exploring ideas and creating a list of activities that are most important for the community to implement during the #Woden Experiment.

**Day:** Monday 10 December 2018

**Time:** 5.30 pm to 8.00 pm

**Location:** Woden Library (27 Corinna Street Phillip)

RSVP for the workshop at [communityengagement@act.gov.au](mailto:communityengagement@act.gov.au)

Everyone is welcome to attend and we particularly encourage you to come along if you are a local person, group, organisation that wants to contribute, volunteer or bring activities to life.
