

Your Critical Thinking Questions
 (developed by the CTP Citizens Jury 14th October 2017)

<p>Relevance</p> <ul style="list-style-type: none"> • Is it within the Jury's boundaries/scope? • How was the process for you? • Is this something we can change? • Is this accounted for elsewhere in the system? • Is it within our remit? • Who is relevant to be covered? • What is expected of CTP? • Are the words "third party" subject to change? 	<p>Clarity</p> <ul style="list-style-type: none"> • What do you mean when you say...? • What is the critical element / issue on what you said? • Can you simplify? • Can you rephrase? • Can you expand on that? • Can you break that down? • Can you expand on the context?
<p>Accuracy</p> <ul style="list-style-type: none"> • What assumptions have been used? • What is the source? • What supporting document do you have? • How is it funded? • What is your expertise? • What is the reliability / measure? • Could you explain your method or process? • Is this value or data driven (money)? • Are there accurate ways of summarising / determining values? 	<p>Breadth</p> <ul style="list-style-type: none"> • What would doctors, psychologists (etc) think about this process? Other than legal? • Is there a different way of looking at this? • Could the government levy? (including kangaroos, bicycles etc) • What does your competition say? • How much is this associated with your profits? • What raw data has been disregarded? • Where is the transparency?
<p>Depth</p> <ul style="list-style-type: none"> • Can you give us a practical example? • What is the counter view to that? • Have you considered all the impacts? • Are there contrasting opinions on this topic? • Is there another way of doing that? • Can you expand on each point or dot point? 	<p>Logic</p> <ul style="list-style-type: none"> • Does the evidence support the conclusion? • Can I believe what I am being told? • Does this answer the question or solve the problem? • Consistency? With values, aims, needs and expectations. • Contradictions? (data) • Where does the evidence fit?
