

**Addendum to Gungahlin Town Centre Planning Report**  
**(published November 2010)**

Page 9 of the Report stated the population of Gungahlin District was estimated to be 32 660 person at the time of the 2006 Census (Australian Bureau of Statistics (ABS) 2007).

It is noted that the latest estimated resident population for Gungahlin-Hall statistical subdivision was 43 508 persons at 30 June 2010 (ABS catalogue no. 3218.0). On the basis of an increase in population growth, the district of Gungahlin is expected to accommodate over 65 000 persons by 2019.
