Dear Ms Gaynard

Re: Proposed Treetop Adventure Park - Yarra Flats Park

It is advised that the Parks Victoria Board has approved the granting of a lease to Ecoline Pty Ltd to develop and operate a treetop based adventure facility at Yarra Flats Park.

Parks Victoria as the public land manager for Yarra Flats Park supports the above proposal which is consistent with the Revised Yarra Flats Concept Plan 2013 and hereby consents to the permit application being made for the proposed development.

Should you require further advice on this matter please contact Rob Black, senior commercial projects officer on 8427 2834.

Yours sincerely
