

Elsternwick Park South Playground upgrade

We've got a plan for play! Council is investing \$10.3 million over 10 years to upgrade every playground in Bayside.

Council is investing \$10.3 million over 10 years to upgrade every playground in Bayside.

In 2017 we sought community input on upgrading Elsternwick Park South Playground near Head Street. Now's your opportunity to let us know whether we got the design right.

We'll be at the playground to hear your feedback on the new design -

Saturday 12 May from 1.30pm – 2pm

Or have your say online at

www.bayside.vic.gov.au/haveyoursay

New play equipment

- Inclusive hammock and spinner
- Climbing structure with a slide
- Swings including a basket swing and all-ability swing harness
- Balance and stepping logs
- Softfall playground surfaces.

Landscaping improvements

- New landscaping with logs, boulders and tree planting for shade.

The existing bench seating and picnic tables will be retained and an accessible pathway created from the shared path.

Feedback closes

5pm Friday 25 May 2018.
