

Gypsy Village Park Playground upgrade

We've got a plan for play! Council is investing \$10.3 million over 10 years to upgrade every playground in Bayside.

Council is investing \$10.3 million over 10 years to upgrade every playground in Bayside.

In 2017 we sought community input on upgrading Gypsy Village Playground on Bridge Street. Now's your opportunity to let us know whether we got the design right.

We'll be at the playground to hear your feedback on the new design -

Saturday 12 May from 11.30am – 12noon

Or have your say online at

www.bayside.vic.gov.au/haveyoursay

New play equipment

- Larger play area
- Accessible pod swing and animal springers
- Climbing and slide structure
- Musical play features
- Cubby house and slide
- New safe, rubber playground surfaces

Landscaping improvements

- New natural landscaping featuring a pebble creek and planting for nature play.

The existing play house and painted bollards will be retained and the basketball court enhanced to include a netball goal.

Feedback closes

5pm Friday 25 May 2018.
