

N.G. Wishart Reserve Playground upgrade

We've got a plan for play! Council is investing \$10.3 million over 10 years to upgrade every playground in Bayside.

Council is investing \$10.3 million over 10 years to upgrade every playground in Bayside.

In 2017 we sought community input on upgrading N.G. Wishart Reserve Playground. Now's your opportunity to let us know whether we got the design right.

We'll be at the playground to hear your feedback on the new design -

Saturday 12 May from 10.45am – 11.15am.

Or have your say online at

www.bayside.vic.gov.au/haveyoursay

The new playground design is inspired by the existing Wishart Farm signage.

New play equipment

- Barn playhouse with themed cow, tractor and barn springers
- Inclusive swing set
- Climbing and log steppers for nature play
- New safe, rubber playground surfaces.

Landscaping improvements

- New landscaping and planting.

The Wishart Farm sign, existing shade sail, bench seats and picnic tables will be retained.

Feedback closes

5pm Friday 25 May 2018.
