

## Come Play at Livvi's Place Bankstown City Gardens

Touched by Olivia is a national charity that is focused on the happiness and health of children, achieved through the unique partnership model to develop INCLUSIVE PLAYSPACES across Australia. Touched by Olivia is excited to be part of something very special at Livvi's Place Bankstown City Gardens in partnership with Bankstown City Council.

This will be a special place where people of all ages and abilities will be able to play side by side. An important asset, the inclusive playspace is a great space to connect with your local community.
