were reached through our social media campaigns

## Top 5 most important streetscape improvements

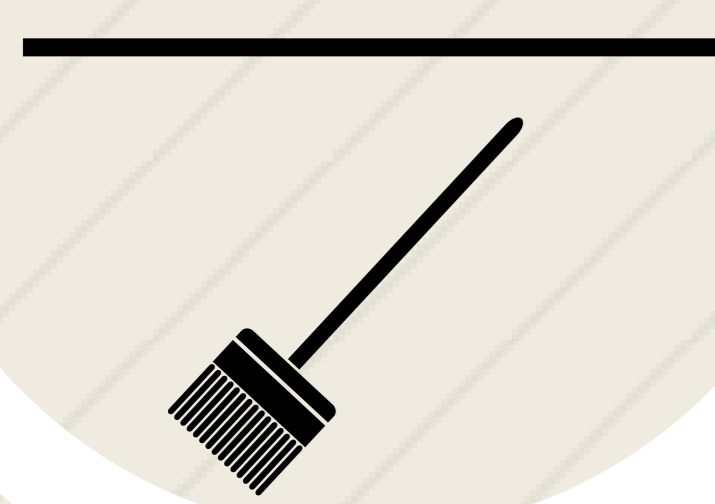

**Trees and Landscaping**

**Safe pedestrian crossing points**

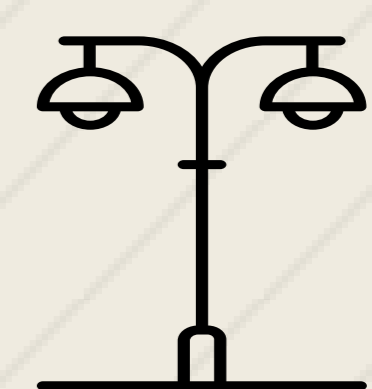

**Cleanliness**

**Footpaths & pedestrian access**

**Safety**

## Common themes relating to the future Woodville Road Streetscape

Support for the planted median and sheltered right-turn lanes

Refresh, upgrade and activate existing shopfronts

Ensure the design allows for ease of turning into and out of side streets

Make footpaths wide, flat, even, safe and accessible

Make the Woodville Road public realm as green and shady as possible

Support for two lanes in each direction along Woodville Road - not one lane each way
