

Bowden – Brompton Mixed Use (Residential and Commercial) Development Plan Amendment (DPA) (Privately Funded)

Area Affected Map

The City of Charles Sturt proposes changes to the Charles Sturt Council Development Plan. These changes are proposed through the Bowden – Brompton (Residential and Commercial) Development Plan Amendment (DPA).

The focus of the DPA is the existing Urban Employment Zone in Bowden – Brompton (see map below). The DPA proposes to include this area within the Urban Core Zone to facilitate higher density residential and mixed use development.
