

Erin Woods Traffic Calming Pilot

**End of pilot engagement:
Potential design change on
Erin Woods Boulevard, just
west of 36 Street S.E.**

Potential design change: Removal of 'No U-turn' sign

- Removing the no u-turn sign would allow people driving to cross 36 Street S.E. make a legal u-turn, cross back, and enter the Petro-Canada gas station
- Would create a legal way for westbound travelers to drive to the Petro-Canada gas station
