| 5             | (Error due to address issue)  
2 Youngs Lane is now 26 Youngs Lane, while nos. 1 and 3 Youngs Lane are now 40A & 40B Molesworth Street. All three graded ‘C’ in 2016 HPI, but missing from the C258 HPI.  
Add all properties to the C258 HPI with the updated addresses and a ‘Significant’ grading. |

2 Youngs Lane / 26 Youngs Lane

2 Youngs Lane, North Melbourne is listed in the Heritage Places Inventory (Inventory) (June 2016, as gazetted) and is graded ‘C3’.

The property address, ‘2 Youngs Lane, North Melbourne’, does not exist Council’s Geographical Information System (GIS), CoMPASS.

The entry in the Inventory (June 2016, as gazetted) for this property therefore appears to include a pre-existing error in the address of the land.

As the property address, ‘2 Youngs Lane, North Melbourne’, does not exist in Council’s GIS database, the property was not included in the exhibited Inventory under Amendment C258.

Having conducted a further investigation of this property address following feedback from Council’s expert David Helms’, the Building Identification Sheet (BIF) for this property has been located from the City of Melbourne Heritage Review 1999 (Allom Lovell & Associates, 1999).

The BIF Sheet for this property, which identifies the heritage grading is ‘C3’, includes a photograph of the front of the building.

A desktop review of sites fronting Youngs Lane, North Melbourne has confirmed that the building photographed in the BIF sheet is in fact located at 26 Youngs Lane, North Melbourne, and is affected by precinct Heritage Overlay HO3.

The BIF sheet for this property, and an aerial photograph and map from Council’s CoMPASS database highlighting its location, is provided in Appendix 1.

Council’s Recommendation:

It is recommended that this pre-existing error in the Inventory (June 2016, as gazetted) be corrected in the Inventory proposed under Amendment C258 by adding the following new entry (as shown below):
1-3 Youngs Lane / 40A & 40B Molesworth Street

1-3 Youngs Lane, North Melbourne is listed in the Inventory (June 2016, as gazetted) and is graded ‘C3’. The property address, ‘1-3 Youngs Lane, North Melbourne’, does not exist Council’s Geographical Information System (GIS), CoMPASS.

The entry in the Inventory (June 2016, as gazetted) for these properties therefore appears to include a pre-existing error in the address of the land.

As the property address, ‘1-3 Youngs Lane, North Melbourne’, does not exist in Council’s GIS database, the properties were not included in the exhibited Inventory under Amendment C258.

Having conducted a further investigation of this property address following feedback from Council’s expert David Helms’, the Building Identification Sheet (BIF) for these properties has been located from the <em>City of Melbourne Heritage Review 1999</em> (Allom Lovell & Associates, 1999).

The BIF Sheet for these properties, which identifies the heritage grading is ‘C3’, includes a photograph of the front of the building.

A desktop review of sites fronting Youngs Lane, North Melbourne has confirmed that the buildings photographed in the BIF sheet are in fact located at 40A and 40B Molesworth Street, North Melbourne, and are affected by precinct Heritage Overlay HO3.

The BIF sheet for this property, and an aerial photograph and map from Council’s CoMPASS database highlighting its location, is provided in Appendix 2.

(Ungraded places)

As part of future work, undertake a thorough review of the Ungraded places in the HO2 East Melbourne & Jolimont precinct, particularly interwar flats. **Council’s Recommendation:**

As a result of an error arising from a clerical mistake, the heritage place 105-109 Powlett Street, East Melbourne, appears to have been removed from the proposed Inventory under Amendment C258.
It is recommended that this error be corrected in the Heritage Places Inventory proposed under Amendment C258 by adding the following new entry (as shown below):

<table>
<thead>
<tr>
<th>Street</th>

<table>
<thead>
<tr>

Submission No. 15

(Submission No. 15)
Review the potential inadvertent deletion of the Myer Music School, which is included in the 2016 HPI with the address 75 Domain Street as a ‘C’ Grade place. The correct address according to Land Victoria is 79 Domain Street, as part of the corner site that also includes 3 Bromby Street.
My recommendations

As part of future work, review the following places, which are potentially Contributory to the HO6 precinct:

- 92 Domain Street, South Yarra.
- 100 Domain Street, South Yarra.

1-7 Bromby Street, South Yarra

1-7 Bromby Street, South Yarra is affected by precinct Heritage Overlay HO6.

There are several entries in the Inventory (June 2016, as gazetted), which provide gradings for buildings occupying the land at this address. These entries include:

- 3 Bromby Street, South Yarra: 'B3';
- 75 Domain Street (Myer Music School – MGS), South Yarra: 'C2'.

1-7 Bromby Street, South Yarra is listed with a Building Grading, ‘Significant’, and a Significant Streetscape grading, ‘No’ or ‘-’ in:

- The inventory provided in attachment 5 to Agenda Item 6.1 of FMC 5-Jul-16;
- The original exhibited Inventory under Amendment C258; and
- The re-exhibited corrected Inventory under Amendment C258 (FMC 21-Nov-17).

75 Domain Street, South Yarra is not listed in:

- The original exhibited Inventory under Amendment C258; and
- The re-exhibited corrected Inventory under Amendment C258 (FMC 21-Nov-17).

It is noted that 69-77 Domain Street, South Yarra was listed with a Building Grading, ‘Non-Contributory’, and a Significant Streetscape grading, ‘No’ in:

- The inventory provided in attachment 5 to Agenda Item 6.1 of FMC 5-Jul-16;

1-7 Bromby Street, South Yarra, is not listed under any other address in any version of the Inventory proposed under Amendment C258 and is not included in an individual heritage overlay.

The Building Identification Sheets for the buildings occupying 1-7 Bromby Street, South Yarra set out the following building grading’s:

- 3 Bromby Street, South Yarra: ‘B3’;
- 75 Domain Street, South Yarra: ‘C2’.

The BIF sheets for the buildings at this property, and an aerial photograph and map from Council’s CoMPASS database highlighting the property’s location, is provided in Appendix 10.

**Council’s Recommendation:**

It is recommended that the entry for ‘1-7 Bromby Street, South Yarra’, in the Inventory proposed under Amendment C258 be corrected to include a serial listing of all of the buildings occupying the property that have individual heritage gradings, as shown below:

17-21 Barnett Street, Kensington

17-21 Barnett Street (address per Council’s GIS database is 19 Barnett Street, Kensington), is affected by precinct Heritage Overlay HO1162 and appears to be partly graded ‘C2’ in the Inventory (June 2016, as gazetted) (listed under 13-19 Barnett Street).

17-21 Barnett Street, Kensington is listed with a Building Grading, ‘Contributory’, and a Significant Streetscape grading, ‘No’ or ‘-’ in:
- The original exhibited Inventory under Amendment C258; and
- The re-exhibited corrected Inventory under Amendment C258 (FMC 21-Nov-17).

The Kensington Heritage Review 2013, listed the property as ‘17-21 Barnett Street’, and identified that this property was ‘Non-Contributory’ to the heritage precinct and fronted a ‘Level 3’ graded streetscape.

An excerpt from the Kensington Heritage Review 2013 with the relevant entry highlighted, and an aerial photograph and map from Council’s CoMPASS database highlighting the property's location, is provided in Appendix 11.

It is noted that the neighbouring properties to the north and south at 13 Barnett Street, Kensington and 23 Barnett Street, Kensington, respectively, have been correctly listed in the re-exhibited corrected Inventory under Amendment C258 (FMC 21-Nov-17) with a Building Grading, ‘Contributory’, and a Significant Streetscape grading, ‘-’, which is consistent with their identified level of heritage significance in the Kensington Heritage Review 2013.

Council’s Recommendation:

It is recommended that the entry for ‘17-21 Barnett Street’ be deleted from the Heritage Places Inventory proposed under Amendment C258, as shown below:
9-21 Brougham Street, North Melbourne

9-21 Brougham Street, North Melbourne is affected by precinct Heritage Overlay HO3.

There are several entries in the Inventory (June 2016, as gazetted), which provide gradings for buildings that formerly occupied, and currently occupy, the land at this address. These entries include:

- 9-11 Brougham Street, North Melbourne: ‘D2’
- 13 Brougham Street, North Melbourne: ‘D2’
- 17 Brougham Street (Former Uniting Church), North Melbourne: ‘C2’

The property, 9-21 Brougham Street, North Melbourne is listed with a Building Grading, ‘Non-Contributory’, and a Significant Streetscape grading, ‘No’ in attachment 5 to Agenda Item 6.1 of FMC 5-Jul-16, and is not listed in:

- The original exhibited Inventory under Amendment C258; and
- The re-exhibited corrected Inventory under Amendment C258 (FMC 21-Nov-17).

9-21 Brougham Street, North Melbourne is not listed under any other address in any version of the Inventory proposed under Amendment C258 and is not included in an individual heritage overlay.

Attachment 4 to Lovell Chen’s Evidence for Council identifies the rationale for the property at 9-21 Brougham Street, North Melbourne being downgraded to ‘Non-contributory’, as due to the demolition of the Victorian terrace cottages that were the subject of the original grading in the Inventory (June 2016, as gazetted).

It appears that the Former Uniting Church at 17 Brougham Street, North Melbourne (which continues to occupy the north-west corner of the land) was inadvertently captured by this process.

The Building Identification Sheet and citation for the Former Uniting Church at 17 Brougham Street, North Melbourne, identifies that this building is graded ‘C2’.

The BIF sheet for the Former Uniting Church at this property, and an aerial photograph and map from Council’s CoMPASS database highlighting the property’s location, is provided in Appendix 12.

**Council’s Recommendation:**

As a result of an error arising from a clerical mistake, the heritage place 17 Brougham Street, North Melbourne, appears to have been removed from the proposed Inventory under Amendment C258.

It is recommended that this error be corrected in the Heritage Places Inventory proposed under Amendment C258 by adding the following new entry (as shown below):

<table>

  - Remove Non-contributory 2-14 Hope Street from the C258 HPI.  
  - Reinstate ‘Fawkner Club Hotel, 52 & 52W Toorak Road West’ as a Contributory place to the C258 HPI. |
