

WHAT WE HEARD:

Blenheim Road Reserve NEWPORT

Council thanks all who participated in the first round of consultation. A summary of the survey responses received is presented below. This feedback has helped shape the draft concept plan. The summary incorporates feedback received both online and at the drop in session held on 30 June.

The drop in session was attended by 25 adults and 10 children. The draft concept plan will be presented at the next drop in session on Sunday 18 August and will be available online.

1. Online engagement

- bike track
- barbecues with shade areas to sit at (tables, benches)
- seating areas close to the mosque (to be used by worshippers and public)

Other

- baby change areas in toilets

7. Other suggestions / comments

“It’s safe and clean and everyone respects that space. It encourages families and not undesirable behaviour.”

“A ‘grove’ would provide plenty of shade and is quite a soothing sight itself with mature trees swaying in the wind.”

“Water feature.”

“Sculptures / artwork.”

“Important to keep remnant trees.”

“Trees and shrubs to attract birds and possums and to provide shade and counter the heat-island effect. Every day we are losing trees when older houses are bulldozed for concrete townhouses with fake turf and some shrubs.”

“Thoughtful and intelligent landscaping and planting which encourages the curiosity and involvement of visitors. Lots of trees.”

“To be in a bushland canopy. To view the bird life. For peace and quiet. For nature therapy. For walking and exercise.”

“Children’s playground with tables, seating and shade options.”

“Toilet and drinking water would be great.”
