

Natural Landscape Playground in Kiwanis Park

SE
008

Idea Summary

Installing a natural playground using green design principles that are centred on meeting children's developmental needs - physical, cognitive, social, and emotional - in a Kiwanis South Park.

Cost Summary

Natural Landscape Playground
= **\$35,000**

Community Impact

Children will be excited to play and explore in a natural environment helping them build confidence, self-esteem, perseverance, creativity, and an appreciation for nature and natural play.
