

Nurse's Residence rooftop garden. Image from Celebrating South Street Hospital, date unknown.

- The original path to the hospital is traced in the paving.
- A water feature provides a light mist for cooling and recreation.
- The bosque zone provides shade with benches for seating.
- Open space in front of the WMCH allows for temporary events.
- An open lawn allows for informal gathering and space for art.

War Memorial Children's Hospital. Perspective image published in 1921, Watt and Blackwell Architects, from the Cultural Heritage Assessment.

View looking north from South St.

View looking west from South St. and Colborne St.
