

Outdoor Ice Pad in Jorgenson Park

SW
001

Idea Summary

Using rubber bumpers and rink liner to turn the existing tennis court in Jorgenson Park into an outdoor ice rink in the Winter months.

Cost Summary

Rubber bumpers (\$5,000)
+ Rink liner (\$1,000)
= **\$6,000**

Community Impact

This outdoor rink would provide entertainment, and would encourage residents to use the park in the Winter

The rink would be flooded using water from the Byron Optimist Community Centre, which is located near the tennis court.
