

Flow of Information and Reporting Structure

- There are a number of groups that will be involved in developing the Terms of Reference and Environmental Assessment
- Stakeholders review and comment on what is proposed
- City Council has the final decision on what is submitted to the Ministry of the Environment and Climate Change for final approval.

PEC – Planning & Environment Committee, a Standing Committee of Council
 Waste Management Working Group - comprised of members of Municipal Council
 ACE - Advisory Committee on the Environment
 EEPAC - Environmental and Ecological Planning Advisory Committee
 AAC - Agricultural Advisory Committee

* Stakeholders also have the opportunity to appear as delegations before the Civic Works Committee at key milestones during the process.
 ^ Formal dialogue process between WMWG, City Advisory Committees, CLC, W12A Landfill PLC and Indigenous Communities to be determined.
