

**Notice of the Second Series of Open Houses
City of London Residual Waste Disposal Strategy
Environmental Assessment of the Proposed W12A Landfill Expansion**

The City of London (the City) has initiated a study under the *Environmental Assessment (EA) Act* for a proposed expansion of the City's existing landfill (W12A), which is expected to reach capacity in 2025. The service area for the landfill expansion is proposed to be enlarged to a regional area, which would include: the City of London, County of Huron, County of Perth, County of Elgin, County of Lambton, and County of Middlesex.

The City wants community feedback on the proposed expansion of the W12A Landfill and is hosting this second series of open houses as follows:

November 29, 2017

Horton Street Goodwill Industries (3rd floor)
255 Horton Street (at Wellington), London
2 – 4 p.m. and 5 – 8 p.m.

November 30, 2017

Lambeth Community Centre (Gymnasium)
7112 Beattie Street, London
2 – 4 p.m. and 5 – 8 p.m.

It is proposed that the landfill expansion will occur within the area on and adjacent to the existing landfill property as shown on the map below.

At these open houses the public will learn about the proposed content of the Draft Terms of Reference (overall work plan for the project) including existing site conditions, preliminary landfill expansion concepts (known as 'Alternative Methods'), the proposed methodology and technical studies for evaluating and comparing the 'Alternative Methods', and how to be involved in the EA process. Additionally information on the development of the City's draft Resource Recovery Strategy will be available to the public.

A main focus of the open houses will be to inform the public and seek input on the 'Alternative Methods' for landfill expansion and the criteria to be used to comparatively evaluate the 'Alternative Methods'. Attendees will have the opportunity to have one-on-one discussions with City staff and the project consultant.

If you wish to be added to the project contact list, or have questions, please contact City staff as noted below or visit the City's website at getinvolved.london.ca/WhyWasteDisposal.

Jay Stanford, M.A., M.P.A.

Director - Environment, Fleet and Solid Waste

Mailing Address for the above staff is:
Solid Waste Management Division, 8th Floor, City Hall
300 Dufferin Avenue, P.O. Box 5035
London, ON N6A 4L9

All personal information included in a submission – such as name, address, telephone number and property location – is collected, maintained and disclosed by the MOECC for the purpose of transparency and consultation. The information is collected under the authority of the *Environmental Assessment Act* or is collected and maintained for the purpose of creating a record that is available to the general public as described in s.37 of the *Freedom of Information and Protection of Privacy Act*. Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential. For more information, please contact the MOECC's Freedom of Information and Privacy Coordinator at 416-327-1434.

Veillez noter qu'il vous est possible de nous communiquer vos commentaires ou vos questions sur le projet en français en les adressant à Trish Edmond dont les coordonnées sont indiquées ci-dessus.
