

Living with a disability?

We can help you access the support you need.

Join us for lunch on **Wednesday 29 May** in Kings Square, Fremantle to find out how APM can help connect you to services in your community.

Whether you're getting NDIS support or not, if you're living with a disability, we're here to help.

Our Local Area Coordinators support people with disability, NDIS participants, families and carers.

We will be hosting a sausage sizzle in Kings Square from 12pm to 2pm. Join us to learn more or to discuss your support needs.

Call 1300 276 522 or visit apm.net.au/ndis for more information.

Delivering the NDIS in your community
