

# Imagine Moreland - what have we done and where are we now?

## What we did

We engaged with the community to find out what they wanted their future Moreland to look like. We received 3227 contributions via:

Pop-up events

Focus groups

Online conversations

Interviews

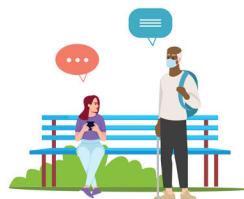

Mail-ins

## What the community said

What you imagined for the future of Moreland:

Remove litter and graffiti

Social interaction

Better transport, traffic management, parking and safety

Quality developments

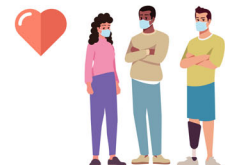

More beautiful green spaces

A thriving local economy

Increased health and wellbeing programs and services

Continued pandemic recovery support

## What's to come

A community panel will use this feedback to help develop the Community Vision document:
