

M41 Merri Creek to MCG Water Main Renewal Project

Construction update June 2019

The M41 water main runs from Merri Creek, Northcote to Wellington Parade, East Melbourne and supplies drinking water to over 350,000 residents and businesses. After almost 100 years, the existing water main is deteriorating and needs to be replaced to prevent leaks which have created significant community disturbance during emergency repair works.

Reinstatement of Napier Street, Fitzroy North

This update is to provide further information on the asphaltting of **Napier Street**. The project will permanently reinstate the road, from kerb to kerb, from **Friday 5 July 2019**, at the following locations;

- **Napier Street**, from **Alexandra Parade** to **Queens Parade**, commencing **Friday 5 July 2019**, reopening by **6pm** on **Tuesday 9 July 2019**.
- **Napier Street**, from **Queens Parade** to **Freeman Street**, commencing **Monday 8 July 2019**, reopening by **6pm** on **Friday 12 July 2019**. Alternative access to **Coleman Street** via **Brunswick Street**.

Temporary changes to on-street parking, off-street parking and vehicle access to driveways

There will be no on-street parking and no vehicle access available within the work zone while the works are undertaken. This includes temporary loss of vehicle access to driveways and off-street car parks.

Please keep in mind that as a result of these temporary road closures, there will be limited on-street parking available in neighbouring streets for both local residents and businesses.

The project will reopen the road as soon as it is safe to do so, weather permitting.

Traffic detours

There will be local traffic management and detours in place during working hours. Our traffic controllers will be on duty at each work location to ensure traffic and pedestrians can navigate around our worksite safely during working hours. Please follow the signage and direction of our traffic controllers and allow extra travel time.
