

August 2018

Reimagining Tarralla Creek

Melbourne Water is planning to reimagine a section of Tarralla Creek, from Dorset Road to Eastfield Road.

By removing the underground drainage pipe, we can return the creek to its natural form, improve amenity and community connections, while maintaining its role of mitigating potential flooding.

We want the community to be involved in the redesign of this open space.

You can provide ideas and feedback online or face to face.

We want to hear from you!

Join our Community Advisory Group

To ensure that the Reimagining Tarralla Creek project has input from residents and the local community, we are looking for people to nominate for the Community Advisory Group. Visit our webpage and complete the application form **by Friday 24 August 2018**.

Talk to the project team

- **Saturday 25 August 2018** from 10am to 2pm outside Woolworths, Arndale Shopping Centre, 224 – 238 Mt Dandenong Road, Croydon
- **Saturday 8 September 2018** from 9am to 3pm at The Mall, Eastfield Shopping Centre, Croydon South

Have your say online

Visit our webpage, yoursay.melbournewater.com.au/reimagining-tarralla-creek and tell us how you use the open space now and how you think it could be improved. Provide your ideas and comments before **9 September 2018**.
