

# M41 Merri Creek to MCG Water Main Renewal Project

## George Street temporary road closure and parking interruption

The M41 water main runs from Merri Creek, Northcote to Wellington Parade, East Melbourne and supplies drinking water to over 350,000 residents and businesses. The project to replace the old main is now being finalised, and the new main is online supplying water to Melbourne's inner suburbs.

## Decommissioning works

From Monday **21/10/19** crews will commence setting up at the end of George street on the corner of Alexandra Parade. This section of George street will be closed until **28/10/19**. These works will take approximately one week to complete.

We will be pouring grout into the old Melbourne Water pipe as part of the decommissioning works which requires us to dig up sections of George Street to access the pipe, which is why the street needs to be shut off to traffic.

## What can you expect to see

A small section of road will be closed for decommissioning of the old Melbourne Water pipe in George Street.

- Some noise from the movement of trucks, machinery, rock breaking, saw cutting, generators and reversing beepers
- Dust and vibration
- Temporary lane/road closures and changes to the speed limits near work areas
- Changes to parking and traffic conditions

## Work hours

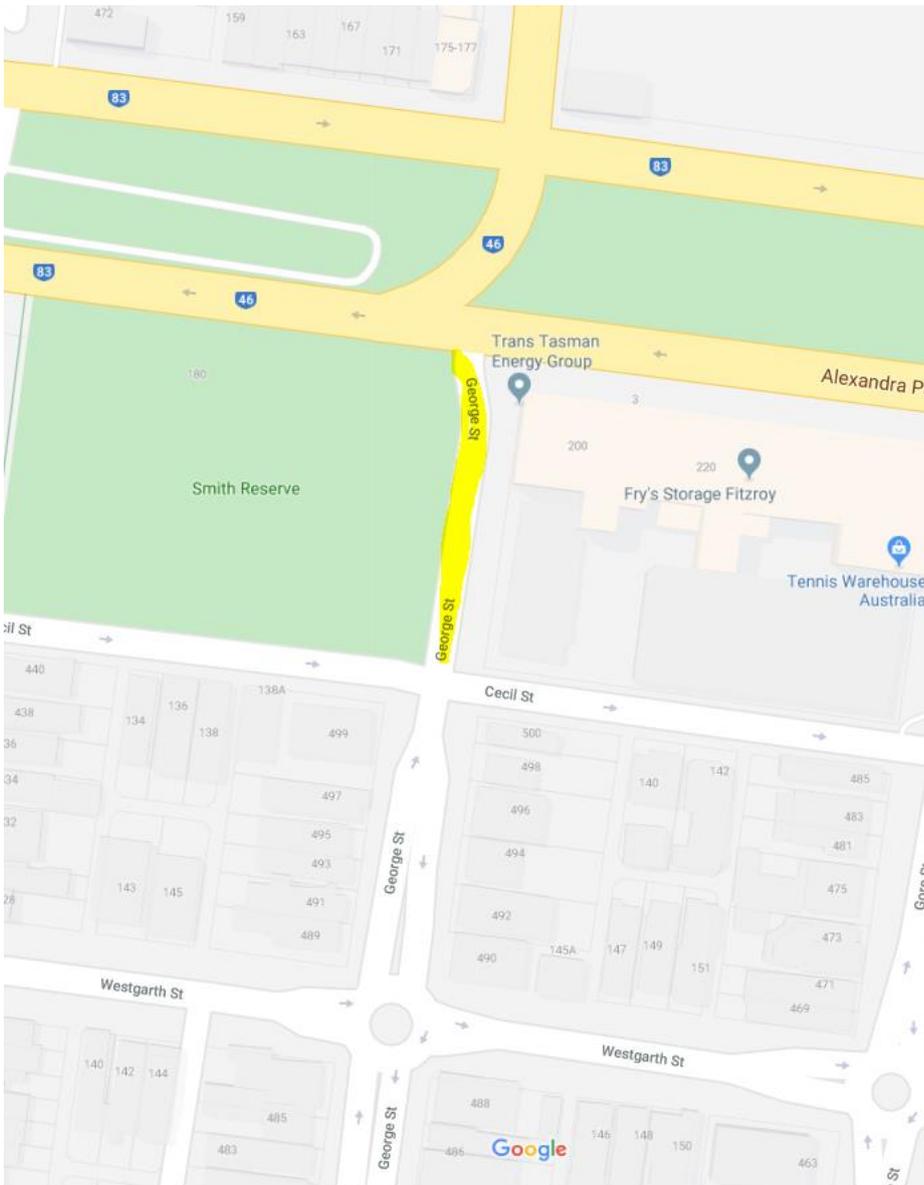

Work hours will be 7am to 6pm Monday to Friday

## Move parked cars from street

Some vehicles will need to be clear of the street prior to the works commencing to allow traffic to continue to flow. Areas where cars will need to be removed will be shown on the street days prior to works commencing in that section of the street.

Pedestrian access will remain at all times.

## Location for works

## Project communication with residents

For further information regarding the project or to provide feedback please see contact details below.

### Keep up to date with what's happening

For more information about this project or our other activities please call 1800 316 713, visit [www.melbournewater.com.au/m41](http://www.melbournewater.com.au/m41) or email [m41@melbournewater.com.au](mailto:m41@melbournewater.com.au)
