

M41 Merri Creek to MCG Water Main Renewal Project

Closure of Queens Parade, North Fitzroy January 2019

The M41 water main supplies drinking water to over 350,000 residents and businesses in Melbourne's inner suburbs. It runs from Merri Creek, Northcote to Wellington Parade, East Melbourne. The existing water main is almost 100 years old and deteriorating and needs to be replaced to prevent leaks which have created significant community disturbance during emergency repair works.

Construction will commence on Queens Parade, North Fitzroy from **Wednesday 16 January 2019**. The project team will install the M41 water main pipes across Queens Parade and will reinstate the roadway when the works are completed.

The closure location is situated on Queens Parade between Alexandra Parade and George Street in North Fitzroy.

Queens Parade will be closed to all vehicles, including buses, in the construction corridor detailed above. The 24-hour full road closure will commence from **7am Wednesday 16 January 2019 to 5pm Friday 25 January 2019**, weather permitting.

The intersection of Queens Parade and Napier Street will be closed during these works.

Temporary changes to on-street parking, off-street parking and vehicle access to driveways

There will be no on-street parking and no vehicle access available within the work zone while the works are undertaken. This includes temporary loss of vehicle access to driveways and off-street car parks from Queens Parade.

Please keep in mind that because of these temporary road closures, there will be limited on-street parking available in neighbouring streets for both residents and businesses. The project will reopen the road as soon as it is safe to do so.

Traffic detours

Motorists, cyclists and pedestrians are asked to observe all traffic management, signage and temporary speed reductions in the area. Please allow extra travel time. There will be no disruptions to Yarra Tram services. For details on bus detours, please visit www.ptv.vic.gov.au.

What can you expect

- Site establishment with temporary fencing erected to delineate the work zone
- Temporary loss of vehicle access to driveways and off-street car parking on Queens Parade.
- Temporary changes to on-street parking and traffic conditions
- Temporary lane and road closures and changes to the speed limits near work areas
- Noise from various construction plant, construction activities and vehicle movements
- Dust and vibration
- Increased construction vehicle movement in local area

Construction hours

The works on Queens Parade will occur from 7am to 7pm from Wednesday 16 January 2019 to Friday 25 January 2019. Longer working hours may be required depending upon weather and ground conditions. In this event, further notification to residents will be provided.
