

M41 Merri Creek to MCG Water Main Renewal Project

REMINDER: Holden and Bennett Street intersection closed

M41 Water Main Renewal Project

The M41 water main supplies drinking water to over 350,000 residents and businesses in Melbourne's inner suburbs. It runs from Merri Creek, Northcote to Wellington Parade, East Melbourne. The existing water main is almost 100 years old and deteriorating. Leaks have created significant community disturbance during emergency repair works.

Works in Holden Street and Bennett Street

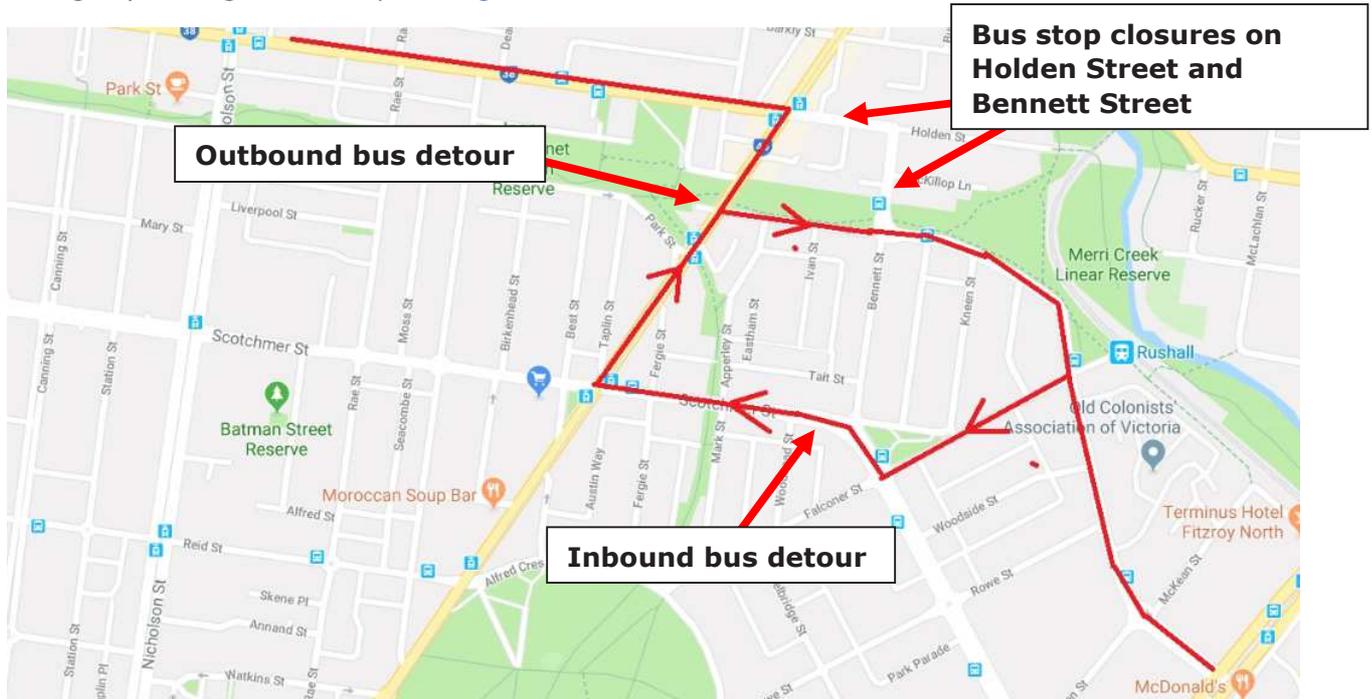

From **Monday 20 August 2018** the project will extend their work zone and **close the intersection of Holden Street and Bennett Street for approximately four weeks**, weather permitting. Unfortunately we have had to extend our timeframe for this section due to additional City West Water works, locating domestic service connections and also unfavourable ground.

Please see map which outlines the extension of the site footprint for these works. During this period of pipe laying activities, vehicles **will not be able to access Holden Street**. Pedestrian access will be maintained at all times.

Note that all emergency services are notified of our works prior to commencement and will be able to access properties in a case of emergency.

Bus route 250 and 251 will be detoured during our works on Bennett Street. Please see map below which outlines detour and bus stop closures. For further information regarding bus route changes please go to www.ptv.vic.gov.au

We acknowledge this is an inconvenience to residents and we are here to assist in any way possible.

Please be advised that council rubbish collection will still occur as per usual. Our traffic management team will assist by moving bins to a location where council can easily retrieve.

Construction hours

These works will be performed during the day between **7am to 6pm Monday to Friday** and **Saturday's between 7am to 1pm**.

Keep up to date with what's happening

For more information about this project or our other activities please call 1800 316 713, visit www.yoursay.melbournewater.com.au/m41 or email m41@melbournewater.com.au
