

Draft Stony Creek Rehabilitation Plan out now!

July 2019

Read the draft plan and tell us what you think

Through community events and online activities, you shared your stories about why you love Stony Creek and what you enjoy doing there. You also shared your ideas, aspirations and priorities for rehabilitating the creek.

Your input has informed the development of a community-focused rehabilitation plan to help restore, enhance and protect the condition of the creek and its surrounds into the future.

The draft plan is now available for your feedback. This is your chance to help shape the final plan to ensure it aligns with community expectations, values and aspirations.

Visit our Your Say page
to download a copy of the plan.

stony-creek-rehabilitation](https://yoursay.melbournewater.com.au/stony-creek-rehabilitation)

Printed copies of the plan and feedback survey can be made available on request.

Submit your feedback by Wednesday 31 July

To provide feedback on the draft plan, we've developed an online survey aimed to help guide the reader. The survey is available on Melbourne Water's Stony Creek Rehabilitation Your Say page. Submit your feedback online by close of business on Wednesday 31 July.

Keep up to date with what's happening
