New Form submission on Help us shape the final 10-year strategic plan for the Yarra River

Hi YarraStrategicPlan@melbournewater.com.au

There has been a submission on [Help us shape the final 10-year strategic plan for the Yarra River](#) through Engage Victoria

A copy of the submission is provided as below:

Part 1: Working toward the Community Vision

1a. Do the four, 10-Year Performance Objectives adequately reflect the 50 Year Community Vision?

Yes

1b. Please outline your reasoning for this opinion (optional)

These are fantastic aspirations

2a. Are the actions identified to deliver the 10-Year Performance Objectives achievable, realistic and measurable?

Somewhat

2b. Please outline your reasoning for this opinion (optional)

What metrics are being used to measure biodiversity and what organisations or entities will provide these monitoring services? Are there any particular flora or fauna we want to enhance?

3a. Which specific actions do you think will be easiest or most challenging to deliver?

The most challenging will be increasing biodiversity

3b. Why do you think this?

This will require a concerted effort from the community, professional services and the local government to monitor, measure and hold accountable changes in biodiversity. Other external factors may also have an impact within 10 years which may not be controllable such as climate change etc.

4. What do you/ your organisation think is the greatest opportunity the Yarra Strategic Plan presents? Please rank the following statements in order of importance from 1 -4

Improving water quality of the Yarra River and protecting land, floodplains and billabongs - 4

Acknowledging, protecting and commemorating the rich heritage of the Birrarung - 3

Improving the river's parklands to support community wellbeing - 3

Protecting the significance of the Yarra River's landscapes and views - 3

5. Do you feel the draft Yarra Strategic Plan has put appropriate actions in place to ensure delivery on the aspirations of Traditional Owners?

Yes

6a. Are there key priority areas of land you think should be added to the parkland network along the Yarra River?

Yes

6b. If you answered Yes, where are these key priority areas of land and why do you think they should be added?

Part 2: Land Use framework

7. The Land Use framework aims to put the Yarra River at the heart of future planning and development decisions. What is your / your organisation's view about the Land Use framework?

The Land Use Framework is very comprehensive and captures the important social, cultural and environmental outcomes for the Yarra.

8a. Do you believe the Land Use directions will support the 50 Year Community Vision?

Yes

8b. Why do you think this?

The community engagement including education and indigenous ownership will greatly enhance the community vision

9a. Do you agree with the Land Use directions for the Yarra River?

Yes

9b. Please outline your reasoning for this opinion (optional)

10a. Do you believe that the 13 significant places identified for the river corridor reflect the most regionally significant locations?

Yes

10b. Why do you think this?

11. Do you agree with the opportunities identified for the significant places that you connect with?

Yes

12. Do you have any further ideas about how the Plan may provide for the cultural/spiritual/environmental care and protection of the Yarra River over the next ten years, whilst also working toward achieving the 50 Year Community Vision?

13. Finally, what are your overarching thoughts and feelings about the Yarra Strategic Plan?
