

M41 Merri Creek to MCG Water Main Renewal Project

Construction update: Coleman Street

Construction of the M41 Merri Creek to MCG Water Main Renewal Project will commence on Napier Street, North Fitzroy, between Queens Parade and Edinburgh Gardens on **Thursday 24 January 2019**. Napier Street will be progressively closed in three sections as these works move toward Edinburgh Gardens.

As part of these works, there will be **no vehicle access to Coleman Street from Napier Street from Wednesday 30 January to Thursday 7 February 2019**. Pedestrian access will be maintained at all times. The project has arranged with the Department of Health and Human Services to open the access to Grace Lane, to provide vehicle access from Coleman Street to Brunswick Street.

Residents are requested to not park between Coleman Street and Grace Lane to ensure clear access is maintained.

Emergency services will be able to access Coleman Street at all times, including after hours, by whatever means are necessary. Our construction team will assist residents with their rubbish bins on collection days.

Keep up to date with what's happening
