Dear Yarra Strategic Plan people,

As a long term resident of Warrandyte North I know that our Yarra River habitat needs clear, decisive, unequivocal long term planning to protect it.

I do not think the Yarra Strategic Plan can achieve this.

I support the aims of the Yarra River Protection (Willip-gin Birrarung Murrong) Act.

Therefore, I urge you to consider the Yarra River as Melbourne's greatest natural and cultural asset.

I strongly endorse the views of the Yarra Riverkeeper Association on this matter.

I request that your Plan be redesigned in the best interests of the environment and the wellbeing of our precious, vulnerable River.

Yours Sincerely,
