Please tell us the reason you do not use Dunbar Park or why you dont use the space more often? - Text Data for Other

05/11/2019	Needs better grass and to be mowed
05/11/2019	I prefer the beach
05/11/2019	Lack of sun in winter, bark flooring gets very messy when it rains
05/11/2019	Playground isn't as good, diverse and safe as other playgrounds south (newport, mona vale), no bbq facilities or benches. Going to playgrounds in other suburbs drives our business elsewhere (we have 3 small children)
05/11/2019	Not very appealing - looks like an oval and teenagers often playing footy, fitness classes. Would be nice to have more trees, maybe tables and chairs
05/09/2019	Smoking needs to be banned in public exercising spaces or parks. I feel uncomfortable leaving my kids at the park when smokers are present and hanging out in groups.
05/07/2019	Not enough variety in equipment especially for older kids...eg a climbing wall or equipment for older kids. Boring park
05/04/2019	Poor integration from main road carpark at Woolies no mans land side strip which could be gateway to verdant landscaped social space
05/04/2019	The bark on the floor gets our kids absolutely filthy! This is by far the biggest drawback with the park. Can Council upgrade it to the soft rubber (for example)? Or a surface that is much cleaner? We would double our use of the park if this was done.
05/01/2019	The playground is dirty with the bark. And offen wet in the mornings causing the children to get very dirty.
04/29/2019	I only use it when I need to - it is there so I use it
04/28/2019	hate the bark at the playground. Keep my kids away due to that reason.
04/28/2019	Groups of Backpackers smoking weed in Summer and in the night
04/28/2019	Lacks atmosphere
04/22/2019	Bark in the playground. Children's clothes get dirty and babies try to eat it.
04/22/2019	The bark ground covering at the play equipment is unhygienic and filthy. The play equipment is old and needs to be upgraded. The Grass area would be great if people did let their dogs run about off leash - more patrols by rangers is needed seen as there is an off leash park across the road.
04/22/2019	The bark under the playground is not suitable for young children
04/22/2019	The bark!! My kids end up filthy and it's even worse after rain. Please get rid of the bark!!

04/22/2019	The playground doesn't have a fence so kids are always running towards the road
04/21/2019	Would go if I could take my dog
04/20/2019	The bark on the ground in the playground is so sharp and filthy. The kids get covered in bark filth so its put me off going there. There are parts of the equipment which are broken. It doesn't cater for all ages and there's too many kids and not enough playground, it needs to be bigger and more play equipment.
04/20/2019	The bark is often wet and the kids get super super dirty playing there. Getting rid of the bark would make us use the playground more often
04/19/2019	Tan bark is filthy and muddy when it rains
04/19/2019	More seating needed. No bark on ground
04/18/2019	The wood chip ground of the playground makes all our shoes and children so dirty that we can't go there unless we are heading straight home afterwards.
04/18/2019	Mess from bark chip and poor drainage...
04/18/2019	The grass is regularly unmowed . It was particularly bad over the Xmas break when the village was busy - very poor !
04/18/2019	Playground equipment and surface needs updating.
04/18/2019	There needs to be much more variety in the use - i.e. chess boards, trees with variety of flexible seating, places for people to relax, maybe a native tucker garden, natural equipment used for creative activities
04/18/2019	Park often looks uncared for, rubbish, long grass
04/18/2019	Not close to home
04/18/2019	I have a young 3 year old grandson and the equipment at Newport Beach is much more appropriate for his age - also the one next to mona vale library
04/18/2019	It's not particularly stimulating
04/18/2019	Not enough seating
04/18/2019	Ground is too dirty, best to use other material
04/18/2019	The wood chips are not at all good for a kids zone, the constant wet area is terrible. Have a look at flying fox park as a great example of a great playground
04/18/2019	Equipment needs updating. Surface needs to change from dirty wet wood chips, if it had rubber surface I would use more.
04/18/2019	A few more shaded seats would be good
04/18/2019	Could have better paths for prams and areas for bikes, seats etc
04/18/2019	The bark in the park is filthy. Needs to be a different material
04/18/2019	outdated playground, needs better cover from the elements
04/18/2019	The woodchips and play equipment need upgrading.
04/18/2019	The horrible bark on the floor
04/18/2019	The park gets really muddy due to the wood chips that are used in the playground. This needs to be changed
04/18/2019	I use it as much as I need to. Thx
04/18/2019	Silly bark at the playground
04/18/2019	Bark in playground is dirty and not child nor baby friendly
04/18/2019	The playground wood chip cover is simply horrendous
04/18/2019	the horrible bark in the play area is disgusting and unhygienic
04/18/2019	There's no fenced area for little kids and no scooting track for bigger kids. It could be so much better
04/18/2019	The bark/gravel on the ground of the play equipment is very dirty after rain and hard for little kids to crawl around. Also some picnic tables would be helpful for feeding
04/18/2019	The bark in the park turns me off taking my kids there
04/18/2019	The tanbark on the ground is filthy and not forgiving!
04/18/2019	There not really much to it apart from a playground
04/18/2019	Needs updated diverse equipment sensory playground and more seats
04/18/2019	The bark in the playground is problematic
04/18/2019	The kids get sooo dirty from the bark.
04/18/2019	No fenced area fit young children
04/18/2019	Gross dirt & bark that gets on everyone & everything
04/18/2019	Not very interesting - no attractive plantings or features to look at - it's just an empty field of grass
04/18/2019	I have slightly older kids. Would like to see something sporty_social available for them

04/18/2019	The bark at the park is horrible. My kids are filthy every time we leave and usually complain or bark sticking in their shoes etc. Softfall surface would be so much better
04/18/2019	The playground needs an upgrade we would go a lot more of it was to be upgraded and bark chips were removed
04/18/2019	The playground is ok but Newport is way better. Also hate the bark. It gets into everything
04/18/2019	No outside gym park gym
04/17/2019	Not a lot to look at
04/17/2019	Needs fence around playground, soft fall not wood chips, public toilet access when rec Centre is closed
04/17/2019	I would like to see a more suitable soft fall surface. Existing bark is dirty, unhygienic, and hard when children fall.
04/17/2019	Large TV and noise from RSL are not healthy for children

05/11/2019	Better turf
05/11/2019	Add outdoor gym equipment
05/11/2019	Adult exercise equipment alongside playground
05/11/2019	Better play equipment with gated area, monthly markets/music, maybe bbq facilities or low picnic benches

05/11/2019	Host market stalls (like the jewellery one we used to have in Ab on Saturdays) on weekends - or outdoor cafes in lanes leading to the park. Outdoor chess set - so the whole area is more integrated, expanded and interesting.
05/11/2019	Mow the grass council and stop spending ratepayers money on useless changes.
05/07/2019	Approach the RSL and allow them to have an access point to flow from their cafe restaurant to the park. Would be awesome to be able to get a coffee whilst in the park. This would be a great complimentary offering.
05/03/2019	A safer baby swing with safety strap between the baby's legs. Now they can easily fall through.
05/03/2019	I'd like some exercise aids. Eg bars to do pull ups and stretches. Something to practice balance on.
04/28/2019	Although toilets would be a good addition, this may encourage the existing issue of car camping / sleeping in cars that is regularly taking place in the nearby Council carpark by Backpackers.
04/22/2019	Fence around playground
04/21/2019	Dogs allowed off leash.picnic tables.bbque
04/21/2019	Better turf
04/18/2019	Dog poop bags provided
04/18/2019	Fix the low-spots/puddles along the paths. Do soem serious pasture managementto improve the grass, maintain the plantings. Do not build any more structures
04/18/2019	Fenced in playground
04/18/2019	More planting
04/18/2019	Turf needs fertiliser (natural please!) and weeding, so surface can be more resilient / in nicer condition
04/18/2019	More benches, tables to sit & eat at, remove bark, more swings.
04/18/2019	Add outdoor rated exercise equipment for adults
04/18/2019	Change surface to rubber.
04/18/2019	A few more large trees.
04/18/2019	Remove dirty bark from playground
04/18/2019	The huge drip off at top of skipper dip (to the side) is dangerous for any child ynder 4. One day I was there, a little boy fell from this space- is always worried about this happening and one day it did. I'll never forget the sound of the thud when he landed. I hope he was ok. This equipment is simply not safe. Combined with the filthy bark flooring, I don't take my kids here anymore
04/18/2019	remove bark from play area and replace with rubber matting
04/18/2019	Fitness equipment
04/18/2019	Enclosed fencing for the playground
