Draft Policy

Waste Minimisation for Functions and Events Approved by Council

Policy Statement
Council aims to promote best practice waste management through waste avoidance, resource recovery and sustainable procurement practices at all public events held in the Northern Beaches local government area.

All public events and functions held on Council property and public open space must adhere to the Event Waste Management Guidelines.

Principles
Event organisers are required to promote and practice waste avoidance principles by:

- minimising the amount of waste generated
- prohibiting the sale and/or distribution of single-use plastic products and single use sachets, polystyrene, plastic bags, plastic straws and/or balloons
- prohibiting the sale and/or distribution of bottled water. Alternative sources of water must be considered.
- responsibly managing any waste to ensure the cleanliness of the area is maintained during and after the event
- maximising recycling
- promoting and engaging in sustainable procurement practices
- minimising the environmental impact of any products, supplies and promotional materials used at the event

Scope & Application
This policy applies to any individual or organisation applying to hold an event on Council land or Council facilities within the Northern Beaches local government area, and includes events produced by Council.
