

Manly Life Saving Club Working Group Meeting

Engagement Activity – 8 April 2019

To assist the project team in defining the design needs brief criteria, participants worked in two groups to review the output from the first meeting's activity, which identified what might be required in addition to the key functional areas, and initial community feedback.

Participants were asked to individually consider the priority of those additional inclusions, record them on a post it note and place them in one of four categories, being;

- Essential
- Desirable
- Nice to have
- Do not want

Participants were not restricted to what had already been discussed, but encouraged to draw on discussions with their represented community groups.

Essential

- Eco friendly and green
- Sustainable 'zero' impact footprint
- Green (solar power, water storage)
- Look green and sustainable
- Open multi-use space/room
- Space for fundraising activities
- Large outdoor undercover public area and hooks
- Equipment storage
- Storage for life saving equipment and training equipment
- Storage
- Ample gear storage
- Member rooms
- Training facilities that satisfy clubs needs
- Training rooms
- First aid room
- Rescue/ ambulance access
- Deal with pinch point
- Building materials and colour that blend not clash
- Beauty and blend in
- Club amenities separate to public amenities
- Public amenities, toilets and hot showers

- Disabled club and public facilities (showers and toilets)
- Large public change rooms with hot (paid) showers
- Drop off/ pick up zone
- Clear access to beach for lifeguard equipment
- Function and administration space
- Tech connected
- Museum integrated
- Surf museum
- Heritage museum
- Look world leading
- Put path behind club
- Open design that is welcoming for non-members
- Youth friendly facilities
- Tech hub for future 5G/ drone capability
- Keep the trees
- Access to beach that does not conflict with the public
- Look timeless
- Look iconic
- Great access from road above
- Building that enhances the area
- Non digital clock

Desirable

- First floor open space café/ area for all
- Wall with hooks for bags
- Movement of people and equipment separated
- More outdoor showers
- Training rooms
- ? Takeaway v café/restaurant
- Prominent public meeting place – highlighting fitness
- Green covered in local flora
- Attractive mural – highlighting Manly fitness
- Community space/ rooms
- Equipment for fitness
- Extend South not North
- Separate fundraising areas

- Use of cliff/ stone look
- Recognisable as a surf club (from the Pantry)
- Hot showers for community
- Permanent manager/ staff to 'run' club
- Lockers for community
- Retail store for club merchandise

Nice to have

- Move out across the walkway 'remove pinch point'
- Larger undercover area
- Area to be social/ hang out/ meet new people
- Coffee shop small 'café' snack bar
- Community storage
- Community space for 'free' – viewing
- Bike racks

Do not want

- Not sympathetic to the location
- Iconic
- An architectural statement – think some QLD/WA Clubs
- Trees cut down
- Maintain fir trees
- Pokies/ commercial pub/ restaurant
- QLD style pokie/pub place
- Poker machines
- Restaurant
- Large restaurant
