## Have Your Say

**We would like to hear your views on a proposed extension of the use of e-Scooters into nearby side streets.**

The City of PAE have recently extended the trial of the e-Scooters along the Coast Park for another 12 months with the same operators.

In addition to this, we would like to consider the extension of e-Scooters into nearby side streets. This would include footpaths and roads up to Military Road, and along the Semaphore Road footpath to Glanville train station. It would exclude roads where footpaths are too narrow or too congested to safely accommodate scooters.

## Trial Zone Area Map

We are looking for your feedback on expanding the use of e-scooters into nearby side streets up to Military Road, and an extension to the Glanville train station via Semaphore Road.

### Map Key:

 Scooter Access     No Scooter Access

Designated Scooter Parking

*The scooters will only be able to be left in designated parking areas which means users will not be able to disengage unless they are in these areas. All existing scooter parking on the existing trail will be retained.*
