EXISTING IDEA - COUNCIL STRATEGY
3. Foreshore - enhance connections/active uses at Bay Street and Beach Street
4. Princes Pier - activate public space/heritage building on pier e.g. events (State owned)

NEW IDEAS
5. Cruickshank Street – raingarden opportunity (water sensitive cities pilot)
6. Fishermans Bend – maximise connections between public spaces in Port Melbourne and Fishermans Bend, and to the foreshore
7. Medians – potential for additional planting/greening
8. Port Melbourne Light Rail Reserve – enhance recreation/biodiversity
9. Foreshore to Southbank link (Centre Ave/Garden City Reserve Light Rail Reserve) – enhance as continuous walking/bike link with potential for play spaces/fitness stations
10. Station Pier/Waterfront Place - improve public space and connections to pier
11. Post Office Place - potential for urban/shared space
12. Investigate opportunity for additional junior sports grounds, adaptable for informal recreation uses

Integrate use - public space co-located with community facilities
Enhancement of walking route/green link
Shopping street enhanced activation/pedestrian amenity
Connect Bay Trail bike path to Todd Rd
