Timetable and any Directions

**Full Name:** Mario Zanoni

**Organisation:**

**Affected property:** [REDACTED]

**Attachment 1:**

**Attachment 2:**

**Attachment 3:**

**Comments:** We moved to East Gippsland a number of years ago to enjoy the clean air and environment. This mine is an anathema and in complete contradiction to what this area stands for or needs. It will bring little benefit to all but a few while destroying our areas reputation for clean food production and eco-tourism.
