---

**Request to be heard?:** No - but please email me a copy of the  
Timetable and any Directions

**Full Name:** Sara Morgan-Beckett

**Organisation:**

**Affected property:**

**Attachment 1:**

**Attachment 2:**

**Attachment 3:**

**Comments:** This travesty must be stopped. It threatens the lives and livelihoods of people who have lived in the land for generations. Greed is destroying our planet and we must make a stand. The environment has to come first if we're to survive. I'm appalled to discover how devastating the expansion of mining this area will be and we must act fast to stop it. I live in the UK but I am an Australian citizen and what hurts Australia hurts me deeply.
