

Wildlife Act Review

Submission Comment 58:

Contributor: Individual

Primary interests:

- Protection and conservation of wildlife and habitat
- Wildlife welfare
- Rehabilitation of sick, injured and orphaned wildlife

Comment

I would urge our Government to have suitable legislation in place to protect all native species and to ban inhumane commercial practices, like shooting of kangaroos, with more humane and regulated practices if necessary and backed by scientific research through an impartial third party, not anyone that is a stakeholder or has an invested interest.
