There are similar rules under the current legislation where inappropriate behaviour like touting is rife at Melbourne Airport with the same people continuing to do the wrong thing and nothing has been done. These days there are more touting than actual legit drivers waiting for their clients. Very embarrassing not to mention illegal. Can be cleaned up overnight but why aren't officers doing their job?

The policy provides appropriate guidance on CPVV's exercise of its:

Monitoring and compliance powers - Agree

Investigation powers - Agree

Enforcement powers - Agree

Please explain your ratings and provide suggestions for improving the policy.

Touting, illegal parking on ranks and roads, refusal of jobs, unroadworthy vehicles are a huge problem to the detriment of passengers.

Touting. Embarrassing to people coming in to our country and being hassled.
