

Feedback Form

We're upgrading Hall Road between McCormicks Road and Cranbourne-Frankston Road, and replacing two Western Port Highway roundabouts with traffic lights to ease congestion and improve journey reliability for road users in the area.

The project will improve journeys along Hall Road, ease congestion at intersections along Hall Road and Western Port Highway, and improve safety and connectivity for Cranbourne locals and the broader community.

We want to hear what you think of the proposed designs for these projects. Your feedback is important and will be considered as part of the Planning Scheme Amendment (PSA) application for the projects.

By submitting this form, you consent to the collection of your personal information. For a copy of the privacy collection notice, please see engage.vic.gov.au/hall-westernport.
