**Comments:** I would like to put forward a proposal for the Committee to consider — a low key cafe/coffee shop somewhere in the vicinity of the old Finn's Pub. The old photos and stories of the history and the burning of the Pub could be included in the coffee shop. This would be an opportunity for the many walkers and (dogs) to come together and would improve the community spirit greatly. The aboriginal community had their corroborees around that vicinity. They certainly knew the importance of a 'meeting place.'
