

Wildlife Act Review

Submission Comment 114:

Contributor: Individual

Primary interests:

- Protection and conservation of wildlife and habitat
- Hunting of wildlife
- Wildlife welfare

Comment

I am a wildlife rescuer and also a conservation hunter . I am a member and participate in the local landcare network . I would like to see a continuation / improvement of green wedges and habitat protection . I also believe that more national parks should be able to have responsible consevation hunters allowed entry to control feral wildlife . I would like to see more native animals and less feral animals.
