Dear Resident/Business owner

RE: TWELVE MONTH TRIAL OF CHANGED VEHICLE TURNING MOVEMENTS AT THE YARRA STREET AND TOORAK ROAD INTERSECTION

We're writing to inform you that vehicle turning movements at the intersection of Toorak Road and Yarra Street will change from 18 June 2021 as part of a 12-month trial. From this date, vehicles will only be able to turn left out of Yarra Street onto Toorak Road. The trial will ban right turns in and out of Yarra Street, as well as the left turn in.

As you may be aware, we're upgrading South Yarra Station tram stop on Route 58, to make travelling by tram easier and safer for everyone. During community engagement for the tram stop design, in mid-2019, we received significant community feedback about safety concerns for pedestrians crossing the Yarra Street and Toorak Road intersection.

The trial will begin once the tram stop upgrade at South Yarra Station is complete and will address the community concerns raised. We are also working closely with the City of Stonnington Council to deliver the 12-month trial, which aims to improve pedestrian safety at this busy location.

To understand the impact of the changed traffic conditions at the Yarra Street and Toorak Road intersection we will continue to seek community feedback throughout the trial duration. We will provide details about how you can have your say on the changes to the intersection in the coming weeks.

Once the trial ends, we will share the outcome with the community and continue to work closely with the City of Stonnington Council on the next steps for the Yarra Street and Toorak Road intersection.

Key information:

- From 18 June 2021, vehicles will only be able to turn left out of Yarra Street onto Toorak Road. The trial will ban right turns in and out of Yarra Street, as well as the left turn in from Toorak Road
- The trial will run for 12-months, from 18 June 2021 until 18 June 2022
- We will seek community feedback throughout the duration of the trial – details of how to have your say will be shared in the coming weeks.

To find out more information about the trial and the South Yarra Station Upgrade project visit: <http://ptv.vic.gov.au/southyarrastationupgrade>. Alternatively, if you'd like to discuss the trial with the project team, please contact ptvprojects@transport.vic.gov.au.

Yours sincerely,

Public Transport Projects

South Yarra Station precinct – updated design

The updated design, which takes on community feedback, shows the new layout for the South Yarra Station precinct, including the changed vehicle access at the Yarra Street and Toorak Road intersection.
