Dear Ms Mitchell

**Fishermans Bend – Draft Amendment GC81**

**Your reference:**

**Our reference:**  
4000767

The submitters for whom we act request a ruling from the Review Panel as soon as practicable on the submission made in paragraph 2 of the Supplementary Submission to the Minister's Part B Submission (Document 151) that "...the role of the Review of Panel is not to review the Vision".

The submission of the City of Port Phillip at paragraph 3 also notes that "*in this regard that the Vision is not the subject of the Review Panel's task as part of Terms of Reference.*"

The ruling is sought on the basis that the submission on their face

- a) precludes review of the strategic basis of the 80,000 population target contained in the Vision; and
- b) raises serious issues in relation to the Minister's appointment of this Review Panel and its proceeding.

Please contact Tamara Brezzi (8686 6226) or Linda Choi (8686 6367) if you have any queries.

Yours faithfully
