To whom it may concern;

**RE: SUBMISSION TO THE VICTORIAN LOCAL GOVERNMENT RATING SYSTEM REVIEW**

Thank you for the opportunity to comment on the State Government's Rating Review process. Indigo Shire is supportive of any review aimed at providing a fair and equitable distribution of the rates burden.

We have read and reviewed the submission developed by Municipal Association of Victoria (MAV) which represents the interests of almost all Victorian Councils. Indigo Shire supports and endorses the MAV's submission and asks that you consider the MAV submission as a representation of the views of Indigo Shire.

Yours sincerely
