

## **Work plans**

**Are the proposed amendments to work plans and work plan variations effective? If not, what changes would you suggest and why?**

Could the Data sought in an annual expenditure and activities returns be made accessible to the public

**Should there be an option for regulated parties to apply the risk management approach, contained within a Code of Practice for risk management issued by the Minister under Part 8A of the Principal Act?**

Yes

**Do you have any comments on the proposed Code of Practice (refer to attachment C)?**

## **Rehabilitation**

**Do the proposed changes to rehabilitation plans and progressive rehabilitation milestones sufficiently clarify the legal obligations to 'rehabilitate land in accordance with [a] rehabilitation plan' and to 'rehabilitate land in the course of doing work'?**

### **Response**

Yes

**If not, what changes would you suggest and why?**

Rehabilitated areas need to be established enough to sustain and thrive. Rather than be left to survive following planting and short term nurturing ensuring a successful rehabilitation is achieved

**Do you support the move to a more flexible, proportionate, outcomes-based rehabilitation plan approach (as outlined in the proposed regulations and the preferred option in the RIS)?**

Yes

**If not, please provide further comment**

**Do the rehabilitation proposals meet the expectations of the community?**

No

## **Advertising**

**Are the proposed amendments to advertising requirements likely to be effective? If not, what changes would you suggest and why?**

Advertised in a more broader geographical area adjoining the proposal

**What alternative forms of advertising could be used to ensure interested parties are informed of proposed licences?**

## **Reporting requirements**

**Are the proposed amendments to information requirements for annual reports and returns likely to be effective? If not, what changes would you suggest and why?**

No

**If not, what information should be collected and why?**
