	Other? Describe
Will changes improve function of regs?	
Reasons	The proposed changes may improve the way the regulations work for government agencies, but the burden placed on those who have to live with them is onerous.
Implementation issue with proposed changes?	Yes
Reasons	Yes, another Black Saturday.
Guidelines – guidance or clarification needed?	Yes
Details	Where do these guidelines leave landowners with regard to bushfire mitigation? If we cannot protect ourselves, where is there a guarantee that government agencies will protect us in case of severe bushfire? And how do any of these proposals mitigate the very real effects of Climate Change on South Eastern Australia?
Terms to include in guidelines glossary?	Yes
Details	Fuel load mitigation, prescribed burns, catastrophic fire events.
Subscribe to e-newsletter?	Yes. Please send information updates to my email address
Other comments	The government of Victoria, Labor or Liberal, is responsible for the well-being of every single Victorian. Every other consideration should come as a poor second. How many more human beings must die before the lessons of Black Saturday are finally accepted and acted upon? Politicians have to stop making expedient decisions and start acting for the common good.
