Committee - EES

380

Request to be heard?: No

Full Name: Brianna Fernández

Organisation:

Affected property:

Attachment 1:

Attachment 2:

Attachment 3:

Comments: We should but be taking and messing with land that is not our own. People are living near these areas and rely on the little water there is to feed themselves, animals, and their crops. Individuals should not have to fight for these right instead they should be protected!
