Fingerboards Mineral Sands Project Inquiry and Advisory
Committee - EES

697

Request to be heard?: No

Full Name: Jonathon Edwards

Organisation:

Affected property:

Attachment 1:

Attachment 2:

Attachment 3:

Comments: To whom it may concern I strongly oppose this short sighted endeavour to open a mineral sands mine along our food growing region and inevitable degradation this will have on our river and lake system. This is not the direction our beautiful region should head towards. Regards, Jonathon edwards
