I also think there should be regulations that every Room should have a Door on it .

This property has no door from the Lounge to the Hallway & no door in the Kitchen to the Hallway .

When I queried this I was told I could hang Doors but would have to pay for it & they would have to be removed prior to vacating the property .

I also think it should be mandatory that all exit doors have Flyscreens fitted & al windows have exterior Blinds fitted , thanking you , kind regards , M.keane
