Dear Ms Colsell,

**Fishermans Bend Planning Review Panel
Michael Eaddy evidence**

We refer to the evidence of Michael Eaddy of MEL Consultants tabled by you on 29 March 2018.

At page 5 of his report, Mr Eaddy asserts there is an error in the definition of 'comfortable wind criteria' in draft Amendment GC81. He further states:

We are currently independently working on a revised version of the wind criteria to address the above issue.

To ensure our client is afforded a reasonable opportunity to consider any such revision proposed by Mr Eaddy before he gives evidence, we kindly request you provide us with his proposed revision by 10 May, noting he is due to give evidence on 17 May.

Yours faithfully,

HARWOOD ANDREWS
